

Attendance Winners

Congratulations to Lemur, Squirrel, Leopard and Eagle class who have won the attendance trophies over the past fortnight.

Remember, the 30 children with the best attendance at the end of the year will get a very special prize!

It is important that your child attends school everyday and on time. Children can enter school from 8:40am and must be in school by 8:55am.

Building Work

Thank you for your understanding whilst the building work is being carried out. The foundations are currently being dug out and services upgraded. As of next week the contractors will be connecting the services from the mains to the new extension. This will mean that a further section of playground will be fenced off for the next few weeks.

To ensure the safety of the children, all year groups will be on a rota to use the playground during lunchtimes.

Please leave any buggies in the main playground near the gate where a member of staff will be there to supervise them.

PGA

A massive thank you to the PGA who have purchased new play equipment for the school. The children now have a range of equipment to develop their skills including netball hoops, tennis rackets, ball scoops and a range of different soft foam sports balls. If you are interested in supporting the PGA please email pga@aldborough.net.

Reception Entrance

As of next week two gates will be in use for the Reception class entrance found on Aldborough Road South. The gate located in front of the office door will be used as an entrance and the other will be exit only. Please ensure you use the correct gates and thank you in advance for your cooperation .

Anti—Bullying Week

Next week is national Anti-Bullying week and throughout the week the children will take part in a number of activities that will raise their awareness of what bullying is and celebrating Aldborough as a 'Telling School'.

We look forward to sharing some of the children's work with you next week.
