

Attendance Winners

Congratulations to Stingray and Leopard classes who have won the attendance trophy this week. A special mention to Stingray class on achieving 100% attendance! Remember, the 30 children with the best attendance at the end of the year will get a very special prize!

Interactive Learning

Year 5's have been visiting outer space this week—well actually the playground!

To bring their learning to life they used toilet roll and different fruits to recreate the solar system. The fruits were used to represent the different sizes of the planets and the toilet roll to show the distance between each planet. Don't worry the fruits didn't go to waste and were enjoyed by staff and pupils!

Road Safety

We have had a number of concerned motorists contact the school over the last few weeks as they have nearly had accidents with people crossing Aldborough Road South. Please use the zebras crossing to get across the road as it is particularly difficult to see small children from behind stationary cars.

Young Writers

Our copies of Crazy Creatures: Essex Legends arrived last week and we are so proud of our young writers having their short stories published. Every class now has a copy in the book corner and there is a copy in the office as well.

Young Writers have set their next challenge and we want your children to join in!

The title for this term's writing is 'Phizz-Whizzing Words' and is based around celebrating the birthday of the world's No.1 storyteller, Roald Dahl. Children are to write their very own short story or poem inspired by Roald Dahl. Selected writers will have their work published and also be in with a chance of winning a Golden Ticket to The Roald Dahl Museum & Story Centre. More information will be sent to you in the coming weeks.

Free School Meals

Is your child eligible for **Free School Meals**?

Could the school be receiving funding to further support your child?

Children under the compulsory school age who are in full time education may also be able to get free school meals.

If you think your child may be eligible please complete the following form online or contact the school office and we will help you complete the process.
