

Attendance Winners

Congratulations to Eagle and Squirrel classes who have won the attendance trophies over the last fortnight.

Remember, the 30 children with the best attendance at the end of the year will get a very special prize!

It is important that your child attends school everyday and on time. Children can enter school from 8:40am and must be in school by 8:55am. Gates are closed promptly at this time and any child arriving after this time will be marked as late.

Welcome Back

It was lovely to welcome the children back to school this week refreshed and eager to learn. We trust you had a wonderful Easter break and look forward to working alongside you in the summer term.

Uniform

Thank you to everyone who has send their children back to school with the correct school uniform. Please ensure your children are wearing plain black shoes and if required plain black or purple hair band with no decorative items such as flowers or beads.

Family Learning Programme

Following the Government's decision to allow schools to use their own assessment systems, I am inviting you to a Family Learning Programme to hear about the new assessment system we are implementing across the Loxford Trust.

This meeting will last 30 minutes and will give you a greater overview of how we are assessing your child.

Please see the below for the date of your child's FLP:

Year 1 and 2 – Wednesday 20th April at 3:30pm

Year 3 and 4 – Wednesday 27th April at 3:30pm

Year 5 – Tuesday 3rd May at 3:30pm

Building

As you may have noticed it has been quiet on the building site over the past few months. This was due to the fact that we had applied for planning permission to build a second floor on top of the planned kitchen.

I am delighted to announce that this has been approved over the Easter holidays and as you will have noticed building work has begun once again.

The additional floor will enable us to have three more rooms including an office to allow for smaller group work to take place throughout the day as well as space to run more Family Learning Programmes.

We appreciate all your support whilst the building works continue and look forward to the final completion in the summer.

Friday 15th April 2016

Forthcoming Events
