Enterprise Day

As previously mentioned in the last newsletter, Enterprise Day was a huge success. Children were given a £20 budget to spend and had to use these to buy all their material to make their products.

Products included; pencils cases, paper weights, cakes, sweet bags and fridge magnets!

In the afternoon all children had an opportunity to attend the market hall to buy the products that were being sold by each class. Children had to work out the change they would be given as well as work out if they had enough money to buy an item. Back in class they had to calculate the profit they had made after all their costs. Over £800 was raised on this day, half of which was donated to charity and the other half given back to classes to spend.

Eagle class were the winners but there is always next year!

Congratulations!

Congratulations and well done to Zuhaib and Isra who have raised over £1300 to build wells to provide clean water in countries less fortunate than us. They made cookies and sold them to their friends, family and even the staff at Aldborough!
