

Attendance Winners

Congratulations to Shark, Tiger, Lemur and Stingray classes who have won the attendance trophy over the past fortnight.

Remember, the 30 children with the best attendance at the end of the year will get a very special prize!

FLP

Thank you to everyone who attended this weeks Family Learning Programme run by our Learning Support Assistants (LSA). We have had some amazing feedback about how useful parents found the session and what commitment the staff show towards supporting children's individual needs.

Thank you to all the wonderful LSAs for running this session and we look forward to welcoming you to our next session on maths.

Cultural Day

We celebrated our second cultural day this week and yet again it proved a huge success!

Children spent part of the morning hearing about the cultures of some special guests.

For the rest of the day children spent time in a number of classes with different teachers learning about the world we live in. They started by looking at people who were famous from these countries and then took part in learning opportunities based on the country they were studying.

As it was Chinese New Year, every class had an opportunity to explore Chinese culture and take part in activities based on their learning. In Reception, Year 1 and Year 2 children explored Australia, Wales, Pakistan and Italy, whilst Year 3, 4, 5 and 6 ventured into Bulgaria, Barbados, Sri Lanka, Iceland, Brazil and Malaysia.

The day finished with children back in their own classroom sharing their 'journey around the world'.

Thank you to all parents and carers who came to talk to the children and provided food and to all the children who dressed in their traditional clothing and spoke so passionately about their culture.

We look forward to next years multi-cultural day and welcoming you again to celebrate your families cultures.

PGA Food Fair!

Linked to our multi-cultural day, the PGA ran a fantastic food fair after school on Tuesday. The countries that were represented, as voted for at the last PGA meeting, were Romania, Bangladesh, India and Pakistan. It was fantastic to see so many members of our community celebrating together. The PGA would like to thank the parents that got involved by making the suggestion to have our very first culture day food festival, donating and managing the stalls.

Romina (Zuhaib & Isra's mum) and Henna (Amani's mum) were representing Pakistan and are our first ever PGA Culture Day winners and we would like to say a very big WELL DONE. They will be rewarded with the trophy which will be held in the cabinet in reception until the next culture day event when the countries will once again battle it out! A special thank you to the Bulgarian stall who gave away free crepes! In total the PGA raised £189.82. Well done!
