

### Attendance Winners

Congratulations to Eagle, Chipmunk, Tiger and Leopard classes who have won the attendance trophy over the past fortnight. Remember, the 30 children with the best attendance at the end of the year will get a very special prize!

### School closed 1.12.17

School will be closed on Friday 1st December 2017 for staff training. Please ensure you have made alternative arrangements for your children to be supervised by a responsible adult. We will reopen on Monday 4th December 2017 at the usual time.

### Drumming

A lucky group of children were selected to attend a drumming workshop at the Warren Secondary School last week where they were taught by some of the music students. We are hoping to make this a regular event as a way of rewarding children for their positive attitudes towards learning, good attendance or making great progress against their targets.

Here are a few comments from the children who attended. More quotes and photos can be found on our website in the news section.

"Drum Works was really entertaining and fun. I really liked how the Warren Students taught us how to drum!" - Grace (Year 6)

"I was so happy to be chosen because everybody in school wanted to go!" - Zuhaib (Year 4)

### Road Safety Show

Children in Years 3 and 4 learnt all about how to stay safe whilst using the roads when a theatre company visited this week. They learnt lots of useful tips to make sure they crossed the roads safely especially now it is getting dark earlier.

### Wind Quintet

Years 5 and 6 were treated to a wind quintet performance by the London Borough of Redbridge Music School teachers. Not only did they get to listen to some amazing music they also learnt the names of some new instruments.

### Geography Day

On the 17th we held our 1st ever geography day which was a great success. Reception and KS1 developed orienteering skills with Mr Ferguson as well as embarking on field trips to local parks to improve their mapping and geography observation skills. Year 3 and 4 also undertook field work in the local area, mapping the sounds present in two contrasting areas. Years 5 and 6 were very lucky to have the opportunity of learning from the expertise of artist Miss

### Well Done Maya!

Congratulations to Maya in Iguana Class who has raised £2000 for the Great Ormond Street Hospital charity by participating in a 5K family fun run! We are very proud of her taking the time to make a difference to other children's lives.

## Friday 24th November 2017

### Forthcoming Events
