

Attendance Winners

Congratulations to Barracuda, Tiger, Chameleon and Iguana classes who have won the attendance trophy over the past fortnight. A special mention to Iguana class who have managed to get 100% attendance. Well done! Remember, the 30 children with the best attendance at the end of the year will get a very special prize!

Half term

We have had a great start to the academic year with many exciting events and learning opportunities. We would like to thank you for your continued support and we look forward to welcoming you back to school on Monday 29th October at 8.40am.

Eco Warriors

Our Eco-Warriors took part in a workshop with the charity Trees for Cities where they learnt about the environment and why trees are so important to us. Some of the team will also be taking part in a tree planting event in Seven kings Park, where they will be planting a tree that they can visit for many years to come!

Black History Celebrations Part 2!

Our Reception classes were awash with colour on Wednesday when Miss Bruno led a carnival day. Children learnt about the costumes, music and dance that is related to the history of carnival! They made colourful head dresses, masks and wands to help celebrate carnival in style!

Our year 1 and 2 children took part in an African Mask and Dance day where they decorated wooden African Masks and learnt a traditional African dance. The children studied art and the meaning behind many African patterns

Show Racism the Red Card

On Monday 26th and 27th November, Show Racism the Red Card will be leading workshops with our Year 3-6 children. This will be a normal uniform day and we will send more information about this event nearer the time.

National Child Measurement Programme

The NELFT Redbridge 0-19 Children's Universal Services (who work as part of the NHS) will shortly be coming to the school and measuring the height and weight of pupils in Reception and in Year 6. This is part of the National Child Measurement Programme. If you have a child in Reception or Year 6 you will receive a letter with information to explain this in advance of when the measurements are taken. Result letters are sent out to parents approximately 6 weeks after the measurements have been taken. If attached to your results letter you receive an invite to a healthy lifestyle session we encourage you to attend.

Parent Survey

We would like to hear your views! You will have received an email with a link to a survey where your opinions can make a difference to our school. Please complete this survey to share your ideas with us before Monday 29th October, so that we can use your views to inform next term's events and Family Learning Programmes. We thank you in advance.

Book Fair

A big thankyou to everyone who bought a book at our recent book fair. We made over £900 which has resulted in the school receiving almost £600 to spend on books! This is a fantastic amount and we are sure the children will soon enjoy reading many new titles in their book corners!

Friday 19th October 2018

Forthcoming Events
