

Attendance Winners

Congratulations to Eagle, Chipmunk, Tiger and Barracuda classes who have won the attendance trophy over the past fortnight. Well done! Remember, the 30 children with the best attendance at the end of the year will get a very special prize!

School closure

A reminder that school will be closed to children on Friday 16th November and Monday 3rd December due to staff training.

Tree Planting

On Wednesday 31st October, some of our Eco Warriors joined Trees for Cities in Seven Kings park and planted our very own tree! The children were told this tree would live for at least a thousand years and took great pride in helping to plant it. Saim from Iguana class had the honour of naming it, 'Aldborough's Tree for Life'. The children then wrote pledges on purple ribbon about how they could help the environment and tied them to the tree. We will be visiting our tree regularly to check on it's progress!

Pencil cases, note books and football cards

Please can we ask parents and carers to ensure children do not bring any kind of pencil case, note book or gaming cards in to school e.g. Lego cards, football cards etc. They have been causing some distractions during the school day, so we encourage children to enjoy these activities at home. We thank you for your co-operation.

Parking

We would like to remind you that if you drive to school to collect your child, please be considerate of our local residents and do not block their driveways. Can we also remind you that you should not park on the double yellow lines at the junction of St Johns Road and Aldborough Road South, as this is causing congestion on that turning. Again, thank you for your co-operation.

Armistice Day

Today the children have been learning about Armistice Day and the significance of the poppy. The poppy shows we remember. We remember a war that began a hundred years ago. We remember people caught up in other wars, all over the world. We remember that good can come out of bad, and enemies can become friends.
