School closure

A reminder that school will be closed to children on Monday 3rd December due to staff training.

Nuts

Food allergies are becoming increasingly common among children, and this year there are children in our school who have an allergy to nuts - any exposure to these items, even a tiny amount, could be potentially very serious and life threatening for these children. We do ask our children and families to help make the school environment safer for all, by following these simple suggestions:

- Please avoid sending any foods to school that contain nuts, such as peanut butter or nutella sandwiches, muesli or health bars with nuts.
- Please always contact your child's class teacher before sending any food for sharing with the class for special celebrations like birthdays, Eid or Christmas.
- Please remind your child never to share his/her food and drinks with other children.
- Please wash your child's face and hands thoroughly before they leave home, especially if your child has eaten nuts prior to coming to school.
